

International Police Championship in **Badminton**

den 20. - 23. november **2014**

DANSK POLITIIDRÆTSFORBUND
ARRANGØR: PI-AALBORG

Welcome to Aalborg

I would like to welcome you to the International Police Championship in Badminton which takes place in Aalborg during the next 3 days, from November 20th to November 23th.

Following the arrival dinner Thursday, the championship is organised in both single, double, mixed double and team-event.

As Police Commissioner of the North Jutland Police I am glad that our local sport association has the pleasure of hosting this international championship in Badminton.

For several reasons.

First, sports are good for us. It helps us keep in shape and to increase stamina – which is important for us all, but of especially importance for a police officer.

Second, international championships like this one strengthens the connection between police officers across boundaries – a connection, which I think plays an important part in the cross-country cooperation between police forces.

I hope you will come to have a fine stay here in city of Aalborg and I hope you also find the time to visit our city and also, perhaps, a trip to the countryside where you can enjoy the beautiful nature of North Jutland.

I wish you a good tournament.

*Elsemette Cassø
Police Commissioner
North Jutland Police*

Dear players – dear all

It is an honor and a great pleasure for me to welcome you to these friendly matches in badminton called the “Unofficial European Police Championship in Badminton”.

Especially a very warm welcome to our guests from Netherlands, Great Britain and the “new participant” from Estonia. We are very happy that you all have chosen to participate and we look forward to see well played and hopefully exiting matches held in an atmosphere of good sportsmanship. We hope our sport friends and colleagues from abroad will experience Danish hospitality in its best. I can guarantee that the organizer have done their best to prepare your visit to Denmark to ensure that it will be a memorable stay.

I will therefore also like to express a big thank you to the organizers from the Police Sport Organization in Aalborg lead by chairman Jens Møller Søgård.

Mogens N. Lauridsen
President
Danish Police Sport Federation

Welcome to Northern Jutland

On behalf of Aalborg Police Department's sports club, I would like to welcome you all to the unofficial European Police Championship in badminton.

While you are here, I hope that you will have the time to look around in the region, as we have several points of interests in the area. These include; Snaps, Musikkens Hus, a beautiful and lively harbour area, and as a matter of fact, the city of Aalborg is currently in possession of the title Danish Champions in football.

I suppose that the hospitality you will experience here only is to be found outside the courts, as Denmark has lots of proud traditions at the badminton courts.

I hope you will enjoy the event, and let the best win!

Jens Møller Søgård
