

European Police Championship

Football Women

2019

Qualification Match

DENMARK

HUNGARY

15th November 2019

ORGANIZER: ESBJERG PI
DANISH POLICE SPORTS FEDERATION

UNION SPORTIVE
DES POLICES D'EUROPE

WELCOME

Physical recreation is an integral part of all police officers' everyday lives: from the moment, they train to enroll into police academy, during their education and also their future workdays.

Not only because it concerns staying in shape for the many physical challenges, but also because of the friendships and the community that it creates. It is of great importance on a social level and for the team spirit, which is an important part of working in an organization.

It is therefore my great privilege to welcome you to Dansk Politi Idrætsforening's operation of the qualifying matches between Denmark and Hungary for the USPE European championship.

The fact that the match is taking place here is of special importance. The young Danish police officer, who was recently killed in a traffic accident in Copenhagen, originally came from this area.

Magnus Buhl Hansen was a dearly loved and valued colleague, and he was manager for the female team, that will be playing here today. We know that those here on the field and Magnus's colleagues here and in Esbjerg, as well the many others who knew Magnus, will remember him with a mixture of the sorrow, that such a loss brings, and the joy of having known him.

Commissioner
Jørgen Meyer
South Jutland Police

WELCOME TO ESBJERG

I want to extend a warm welcome to all the participants in the women's football qualification match between Hungary and Denmark in the third USPE European Police Championships.

Esbjerg is a city with a long and proud history of football, not least due to our local club, EfB. Today's match will take place in Blue Water Arena, which is the home grounds of the team. The stadium is located in a veritable sports mecca with several sports facilities and clubs within walking distance. Represented here you find handball, football, hockey, athletics, curling, cricket and tennis, just to name a few of the disciplines.

Esbjerg is best known as the EnergyMetropolis of Denmark. A highly specialized cluster of companies is located here. From the extraction of oil over natural gas to offshore wind turbines, energy technology has become our strength.

Our municipality consists of exciting contrasts; from breath-taking nature, such as the Wadden Sea recognized as world heritage by UNESCO to Ribe, the oldest town in Scandinavia with a well-preserved medieval core. Although, you may not experience all of them during this stay, I hope that you will visit us again.

To all of you who have travelled far to visit us, may your stay here in Esbjerg be enjoyable.

Finally, I want to thank the organisers for choosing Esbjerg as the venue for the match.

May the best team win.

Best regards
Jesper Frost Rasmussen
Mayor

DEAR PLAYERS, LEADERS AND DELEGATES

It is a great pleasure to welcome you all to the European Police Championship qualifying match in women's football.

We are very proud that we got the opportunity to organize this match, and on behalf of the Danish Police Sports Federation, I would like to express our gratitude to USPE.

Finally, I am sure, that you all will enjoy your stay in our wonderful City of Esbjerg, in the western part of Denmark together with our "hyggelige" Danish hospitality and our mutual friendship.

Fair Play for all - and best regards
Knud Stadsgaard
President
Danish Police Sport Federation

WELCOME

We would like to warmly welcome players and leaders from the teams of Denmark and Hungary, the referees of the day and the spectators present. At Sport & Event Park Esbjerg, we are proud for the first time to host the Danish police national team in women's football in the important European Championship qualification match.

In doing so, the team joins the list of major football matches at Blue Water Arena. We have previously housed the Danish national team at the stadium, just as many of the youth national teams have been playing at Blue Water Arena, most recently in November 2018 when Blue Water Arena hosted the U21 international match between Denmark and England.

Hosting big events is not unknown to Sport & Event Park Esbjerg. In addition to the big matches at Blue Water Arena, we have also hosted national matches in handball and ice hockey, and every year several major sporting and non-sporting events takes place in our facilities. Last year we hosted the European Championships in Obstacle Course Racing and in 2021 we will host the World Cup in darts. On a daily basis we host several major sporting events every week as we have 4 sports teams in the country's best leagues - men's handball, women's handball, ice hockey and football.

All this helps to place Esbjerg as one of the leading sports cities in Denmark with Gl. Vardevej as the central sports mecca. In addition to the Blue Water Arena, there is also the large handball arena Blue Water Dokken, the large ice hockey rink Granly Hockey Arena and several other sports facilities.

We wish you all a fantastic match and a good experience at the Blue Water Arena.

Niels Bækgård
CEO at Sport & Event Park Esbjerg

DEAR FOOTBALLERS

On behalf of EPI (Esbjerg Police Sports Association) we would like to welcome you to Esbjerg and Blue Water Arena - the venue of Fridays qualifying game.

It is an honour to have you here, and we have tried our best to make sure you have the best conditions to play this important and exciting match.

Sport is always a delightful way to bring people together and enjoy fun moments with people with common interests. With that in mind it is impossible not to be a part of this qualifying game without thinking about the tragedy, that struck a beloved and admired colleague from our police force on the 23. July 2019. Police officer Magnus Buhl Hansen, 35, was killed in a traffic accident while he was on duty. Magnus was from the local area of Esbjerg, and he was the coach of the Danish Police National Women Soccer Team.

Therefore, this event will be held as a great sport event, but also as a gesture and a tribute for Magnus Buhl Hansen.

In memory of Magnus Buhl Hansen.

Best regards

Karsten Hulmose
Chairman
Esbjerg Police Sports Association

COMPETITION RULES

THE USPE COMPETITION RULES, ITEM 4.2, SHALL APPLY

4.2 FOOTBALL

4.2.1 The rules and regulations laid down by the Union des Associations Européennes de Football (UEFA) shall apply, unless otherwise stipulated below or provided for in the Invitation to Enter.

4.2.2 The EPC comprises Preliminary Rounds and a Final Round. Preparation and organisation of the Preliminary Rounds depend on the number of engaged teams. Subject to rule 1.3.1, at least six teams take part in the Final Round. The number of participating teams is set by the USPE Technical Commission and is determined among other things by the total number of enrolled teams. The team of the organising member union is qualified directly.

4.2.2.1 Preliminary Rounds

Each team may enter up to 15 players and three attendants in the Preliminary Rounds.

Substitution: The substitution of four players in the preliminary round per team is permitted in the course of the match. A player who has been substituted may take no further part in the same match.

4.2.2.2 Final Rounds

Each team may enter up to 18 players and four attendants for the Final Round. Substitution: The substitution of five players per team is permitted in the course of the match. A player who has been substituted may take no further part in the same match.

4.2.3 The USPE Technical Commission determines the organisational framework of the Preliminary Rounds and the rules and regulations applicable to the Final Round. The Preliminary Rounds should be concluded no later than four months prior to the start of the Final Round.

4.2.4 If two or more teams are equal on points on completion of all the matches in their group, the following criteria will be used to determine the rankings in the order given:

1. goal difference in the match between the teams in question
(if two teams finish equal on points)

2. number of goals scored in the matches between the teams in question (if more than two teams finish equal on points)
3. goal difference in all the group matches
4. number of goals scored in the group matches
5. fair play conduct of the teams (Final Round)
6. drawing of lots

If two teams which have the same number of points, the same number of goals scored and conceded play their last group match against each other and are still equal at the end of that match, the ranking of the two teams in question will be determined by kicks from the penalty mark, provided no other teams within the group have the same number of points on completion of all group matches. Should more than two teams have the same number of points, the criteria (1. to 6.) listed above will apply.

4.2.5 If the result stands as a draw in a preliminary match (Qualification for the Final Round), in a placement match, in the semi-finals or in the final, the winner shall be determined by kicks from the penalty mark.

4.2.6 The Jury of Appeal is responsible for the implementation of disciplinary actions.

Cautions and pending yellow-card suspensions expire after the preliminary round. Cards received in the Final Round will apply throughout the championship. Cautions and pending yellow-card suspensions from the Final Round expire after the championship.

The following sanctions apply:

- 2 yellow cards in different matches = ban for the next match;
- 2 yellow cards in one match (=1 red card) = ban for the next match;
- 3 yellow cards in different matches = ban for the next match
- 1 direct red card (normal violations) = ban for the next match;
- 1 qualified red card (for example violence) = minimum ban for the next 2 matches
- 1 red card and 1 yellow card in different matches = ban for the next match
- Seriously inappropriate behaviour = 1 qualified red card, exclusion from the match and immediate exclusion from the championship.

THE APPEAL JURY

During preliminary rounds of European Police Championships, the Jury of Appeal shall comprise the following individuals:

- the USPE President, Mr. Luc Smeyers
- the USPE Secretary General, Mr. Andreas Röhner
- the competent member of the USPE Technical Committee, Mr. Ole K. Jacobsen.

The decision of the Jury of Appeal is to be taken within one week after submission of the appeal and to be communicated in writing to the countries involved.

All appeals have to be made in writing by the delegate or one of the attendants of the member union in question within less than an hour after the end of the fixing of or the publication of the results unless the respective international sport rules specify different.

The delegate or one of the attendants of the member union has to enclose an appeal fee with the appeal in order for the appeal to be valid.

The deposited sum will be refunded to its owner if the appeal proves to be justified. If the appeal is rejected the sum deposited is retained by the USPE.
